MEMORANDUM FOR : Chief, Security Branch, Development Projects Division

SUBJECT : Conversation with Mr. Arthur Lundahl Regarding T and TKH Briefings of Certain Air Force Personnel

1. Mr. Lundahl phoned me 27 July to say that Air Force Headquarters had requested him to brief the new Director of Operations, Headquarters, USAF, Major General Sam W. Agee, USAF on T and TKH in the very near future. General Agee, I understand from Colonel Geary, took General Preston's job. Mr. Lundahl added that it is planned that Colonel Steakley would accompany General Agee, as well as another Air Force officer whose name I cannot recall.

2. No date has been set for the proposed briefing, but Mr. Lundahl indicated it would be soon. Colonel Geary affirms that such a briefing is probably useful. I would suggest that you coordinate the clearance question with him after he sees General Agee, which he tells me will be sometime 27 July.
